

BLUETOOTH® NECKBAND HEADSET WITH EARBUDS

BENEFITS

- Block out distractions and remain focused on calls or work with on-demand passive- and active-noise canceling (ANC).
- Put this neckband headset on and wear all day—it has a discreet, low profile and comfort-fit earbuds.
- Bring your voice to the forefront and minimize distractions with four omnidirectional microphones.
- Work more flexibly—switch from stereo to mono by dropping an earbud or remove both earbuds for face-to-face conversations.

VOYAGER 6200 UC

Here's a Bluetooth® neckband headset with earbuds that's as professional and versatile as you. With Voyager 6200 UC, wear just one earbud for voice calls and both earbuds for music. Stereo sound and active noise cancelling (ANC) help you focus—while you stay productive and connected. It's so comfortable and low profile, you can wear it all day long, in and out of the office. You can even pair it with up to eight devices, connecting to two at a time. Intuitive controls make it easy to use, too. Why take it off? We'll leave that up to you.

- Dynamic mute alert feature lets you know you're muted.
- Vibrating neckband signals incoming calls and alerts.
- Use with PC's, Mac's, tablets and mobile phones.
- Upgraded to Microsoft Teams Certification from initial Skype for Business Certification.
- Premium hi-fi stereo.

VOYAGER 6200 UC
